### Identification

|                          |                        |
|--------------------------|------------------------|
| Category                 | Hoods/Housings         |
| Series of hoods/housings | Han A®                 |
| Type of hood/housing     | Cable to cable housing |

### Version

|                      |                                                     |
|----------------------|-----------------------------------------------------|
| Locking type         | Single locking lever                                |
| Size                 | 3 A                                                 |
| Version              | Top entry                                           |
| Cable entry          | 1x M20                                              |
| Field of application | Standard Hoods/housings for industrial applications |

### Technical characteristics

|                                        |                                                    |
|----------------------------------------|----------------------------------------------------|
| Limiting temperature                   | -40 ... +125 °C                                    |
| Degree of protection acc. to IEC 60529 | IP44<br>IP65 / IP67 with seal screw 09 20 000 9918 |

### Material properties

|                             |                                                                                                                                |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Material (hood/housing)     | Zinc die-cast                                                                                                                  |
| Surface (hood/housing)      | Powder-coated                                                                                                                  |
| Colour (hood/housing)       | RAL 7037 (dust grey)                                                                                                           |
| Material (locking)          | Steel                                                                                                                          |
| Surface (locking)           | Zinc plated                                                                                                                    |
| RoHS                        | compliant with exemption                                                                                                       |
| RoHS exemptions             | 6a: Lead as an alloying element in steel for machining purposes and in galvanised steel containing up to 0,35 % lead by weight |
| ELV status                  | compliant with exemption                                                                                                       |
